TMCA GROUP COMPANY PROFILE

- TMCA Group was established in 2001 by a group of Engineers in various fields as a design and consulting company, system Integration and Solutions in the fields of Acoustics, Audio, Video, Light, Broadcast, Telecommunication & Automation.
- Our Company provides turnkey solutions for theaters & big Venues through our sister group of companies be it from Carpets, Curtains, Chairs, Architectural Lighting, Acoustic Isolation, Acoustic Correction & up to stage design and supply, fixed and motorized Trusses, Professional & Intelligent Stage Light, Sound and all kinds of special stage effects.
- TMCA Group always thrives to provide the best quality products and deliver professional services to its ever-expanding family of customers and friends. With our expert team and engineers we are able to provide a fast high quality project execution from small to large-scale areas.
- Our Company serves the commercial, educational, corporate, governmental, religious and military sectors offering high quality solution and products with dedication, special customer care and support.

SOME OF OUR WORK

Pope John Paul II – Hundreds of thousands of pilgrims attend an open-air Mass celebration by Pope John Paul II in Beirut, Lebanon, in May 1997. The Pontiff drew vast crowds as he crisscrossed the globe.
